

ARIZONA
Referee Development Program

Dear Referee:

Thank you for your interest and participation in the referee advancement process. The requirements for upgrading have been established by the United States Soccer Federation. The criteria for referee advancement is located in the *Referee Administrative Handbook*.

Basically, in order to advance a referee must have completed these requirements.

Submit the following to the Director of Advancement:

1. Letter to State Referee Administrator requesting an upgrade,
2. Copy of match record game reports,
3. Copy of required assessments,
4. Certification of attendance at required a Advance Referee Training clinic.

Upon receipt of the above documents, the Director of Advancement will review, and if satisfactory forward to the State Referee Administrator for approval. The SRA, if approving, will forward to USSF for final upgraded registration.

The Director of Advancement is available to assist the referee at any point in the advancement process. The Director will assist in record checking (game records previously submitted), assessment coordination and other assistance as necessary to assure compliance and competency.

Bryce Seaman
Director of Advancement
